### **\*General Notes**

**Professional Fees:** The City engages professionals, such as attorneys and engineers, to conduct reviews of applications, permits, plat maps and other matters or documents not specifically listed herein. The costs of these professional services vary, depending on the specific application, permit, plat map or document / matter reviewed. The City shall estimate fees in addition to those listed above to cover the costs of these professional services.

Publication & Associated Expense Fees: The actual cost of any required publication of notice and / or mailing of notice as required under any Title of the Toquerville City Code or the Utah Municipal Land Use, Development and Management Act (Utah Code Ann. 10-9a-101 *et seq*) must be paid by the applicant as a condition precedent to any corresponding land use application / permit approval. The applicant is also responsible for any associated costs and expenses the City may incur in relation to processing land use application or permit, including but not limited to: updating of the City's zoning maps and GIS data, General Plan amendments, special meeting noticing and additional staff fees and research fees. Applicant will be sent an invoice for all said charges from the City, due and payable prior to the approval or issuance of a permit, license, or release of information.

Timing of Payment of Application Fees: All application fees set forth above must be paid at the time of submission of the application. No initial review of any application will occur until payment of the application fee has been rendered.

Non-Refundability of Fees: All fees set forth above are non-refundable, except at the discretion of the City Council.
